Coin at the assay office

Authors Robert Maciejowski - Regional Assay Office in Kraków (Okręgowy Urząd Probierczy w Krakowie)

[assay office methods of testing of gold coins](#)

Abstract

This publication presents the methods of testing of gold coins, submitted by private persons, goldsmiths and state institutions (police, prosecutors and customs office) to assay offices, to verify their fineness. The publication includes also the list of coins which were mostly testing at the Technical Department of the Regional Assay Office in Cracow and results of these tests.
