The “ŚWITEŻ” project – implementation of the electronic public services platform in the administration of measures

Authors Michał Kolczyński - Central Office of Measures (Główny Urząd Miar)

[administration of measures](#) [electronic platform](#)

Abstract

Aiming at achieving the designated directions of development of the administration of measures specified in strategic documents regarding a well-organized network of specialized field facilities, the Central Office of Measures implements the project “ŚWITEŻ” – IT Support System for Local Administration of Measures.
