100 years of history of metrology at the Bialystok Office of Measures

Authors Robert Pogorzelski Regional Office of Measures in Białystok (Okręgowy Urząd Miar w Białymstoku)

[history of metrology Office of Measures in Bialystok](#)

Abstract

The article presents the history of metrology in Białystok and the changes that have taken place in the Office of Measures in Białystok over a period of 100 years. The administration of measures safeguards the reliability of measurements. It can be said that the offices of measurement “measure and protect”. On the basis of the collected materials, presented the changes that took place in the structure of the Office, how laboratories developed and how the Office adapted to the growing requirements of customers.
